Organic

ENGLISH CUCUMBERS

Refreshing, crisp, and packed full of essential nutrients, there are so many creative ways to eat Nature Fresh Farms Long English Organic Cucumbers! Salads, smoothies, appetizers, and on-the-go snacks are just a few of the many different options available. With a healthy dose of essential vitamins and minerals, these versatile favorites will consistently deliver the excellent Flavor and Freshness expected from our products.

Characteristics

Refreshing, crunchy/ good snap, hydrating, very thin & digestible skin – no peeling required

Benefits

Good source of fiber, Vitamin A, Vitamin C, no saturated fats or cholesterol, anti-inflammatory, high in Vitamin K

Flavor

Mild, refreshing, delicate, brings together other flavors, slightly sweet
